

# Happy path manual test cases

## TC1 — Location comes directly from course location data

**Purpose:** Validate AC1 (source = course location).

**Pre-req/Test data:** A standard (non-online) course with a known course address in its **course location** data.

<https://s265t02-app-web.azurewebsites.net/courses/590bc39a-04f1-403e-f4c4-08de252620ac>

### Steps

1. Start FEAT journey → complete steps to reach **Search Results**.
2. Locate the target course card/result row.
3. Read the **Location** field on the result.
4. **Expected**
  - Location displays the **course address** (town/city/postcode/address format per UI standard).
  - Location matches the course location data (not provider HQ / fallback / user entered location).

Not provided

**Course overview**

What is the course about? For the first year you will follow a broad course giving you the chance to develop skills, experiment with media and master different techniques within the areas of drawing, painting, sculpture and mixed-media applications. You will also be introduced to the works of artists and designers in support of your own work. In Year 13 you will work to your own personal theme, in a range of media or choose to specialise. What kind of students is this course suitable for? You will need to be highly self-motivated, able to visually record observations and ideas in a variety of ways, be prepared to visit art galleries and museums in order to observe works of art first hand, be able to develop ideas and show evidence of sustained investigation and exploration, be able to produce your own art work fluently articulating connections with the work of others, but most of all, have a genuine interest in Art.

## TC2 — Online delivery + address present → show the course address

**Purpose:** Validate AC2.

**Pre-req/Test data:** Course where **deliveryMode = Online** AND **course address exists**.

### Steps

1. Reach Search Results.
2. Find the target online course.
3. Observe Location.

### Expected

- Location displays the **course address** (not “Online”, not blank).
- No “National” shown unless it’s an apprenticeship national case (separate test).

**Full video attached to the Jira ticket**

The screenshot shows a web browser window with the URL `s265t02-app-web.azurewebsites.net/courses/cecff364-26b5-43b5-4a33-08de31046717`. The browser's address bar and tabs are visible at the top. The page content is from the Department for Education and features a search bar and a list of courses. The selected course is 'Christian Ministry and Mission (180 credits)(Part-time) (CertHE)'. The page layout includes a header, a search bar, and a main content area with three sections: 'About the course', 'Location', and 'Course details'. The 'About the course' section contains a table with fields like Qualification type, Level, Entry requirements, Tuition fee, Awarding organisation, and Course description. The 'Location' section contains a table with fields like University, Campus name, and Campus address. The 'Course details' section contains a table with fields like Delivery method, Start date, Duration, and Hours. A 'Go to course' button is located below the 'Course details' section. A 'Related links' section is also present on the right side of the page.
